

Northwest Neighborhood Association Meeting

Thursday, May 21 at 6:30 p.m.

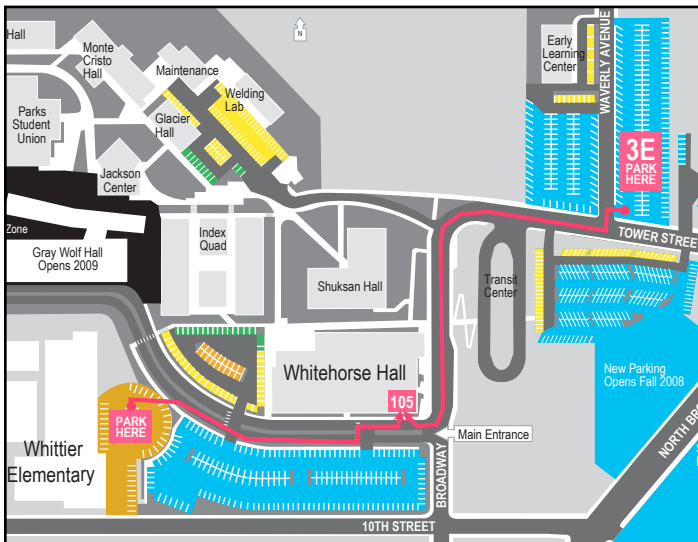

Room 105 • Whitehorse Hall • Everett Community College

The Northwest Neighborhood Association meeting will be dedicated to our 30+ NW Neighborhood Projects
(see details on the back page of this newsletter)

Our 30+ NW Neighborhood Projects Status Report / Q&A

Britt Stromberg will spend a few minutes near the end of our meeting to appraise us of the status of the current Hospital Traffic Issues

If your last name begins with a O-Z
please consider bringing your favorite dessert!

For a larger view of the map go to:
<http://northwesteverett.org/pdfs/ECCmap.pdf>
Parking is available where indicated

A Special Everett Community College Invitation

The meeting is Monday, May 18, 6:30 p.m.
Whitehorse Hall, Room 105.

Park in any unmarked or staff parking space.

Everett Community College invites you to a neighborhood informational meeting for an update on master plan and construction of the new Student Health & Fitness Center which is scheduled to break ground this summer.

Hospital / Neighborhood Update Meeting

To hear an update on our building progress and to continue the dialogue about the project, please join us on Monday, **June 8, 2009 from 6:30 p.m. to 8:00 p.m.** in the Cascade room of the 1330 Rockefeller Medical Office Building. We look forward to your attendance and participation regarding the following agenda items.

- Construction update from Mortenson.
- Discussion around the design and implementation of the 35' greenbelt buffer along the perimeter of the current athletic field property.

If you have questions related to our expansion plans, please contact me directly at (425) 261-4033. If your questions or comments are related to construction activities, please contact Mortenson directly at (425) 258-9140 during normal business hours. If you have construction related questions after normal business hours, please call their hotline number at 1-866-584-9924.

Q Gee is the new hospital tower going to be as tall as those cranes?

A The South crane is 230' tall. The horizontal boom is at 215' tall. The tower will be 180' tall.

Canvassing the Neighborhood Project

WOW! We're going to be dropping off a bag of information on your front door step on **Saturday, May 16th**. The packet will contain; A FREE gift and some important NW Neighborhood information.

Here's a summary of the information in the rest of the packet:

1. A page about the Northwest Neighborhood Block Watch. IF YOU HAVE AN EMAIL ADDRESS PLEASE SEND IT TO US TODAY!!! We can send you our crime alerts so you can find out about any crimes reported in your Neighborhood and so you can help alert your neighbors too.
2. A free Northwest Neighborhood Block Watch removable window sticker for your door.
3. A very cool program called Neighbors Helping Neighbors.
4. An invitation to visit the Northwest Neighborhood web site, join us at our next monthly meeting, and donate \$52.00 (\$1.00 a week) to the Association.
5. A sheet describing our Historic Plaque Program- your home probably qualifies!
6. A page explaining our "Mother of ALL Garage Sales" Projects

7. A combination survey and census form printed on green paper about your thoughts on living in the Northwest Neighborhood.

You see we currently only have names and addresses for approximately 1/3 of our 2,000 + residents and email addresses for only 25% of the 2,000 homes!!

Filling out and returning your survey is the best way for us to keep everyone abreast of the issues, projects, improvements and changes in our Neighborhood.

8. A postage paid return envelope

Please complete it and drop it off at Flowers By Adrain at 2101 Colby Ave.

The Survey goal is two fold: To increase the accuracy of the data we have on our Northwest Neighborhood residents so we can do a better job of communicating with you. And secondly, we're simply trying to ensure we're doing the best possible job of inviting and including ALL of our neighbors so everyone has the opportunity to receive our Newsletter, attend our meetings, and participate in Neighborhood events.

Newsletter Circulation Growth

Is this the first time you've ever seen our Northwest Neighborhood Newsletter? If so PLEASE email us TODAY pauld@construx.com

While Newspapers across the Country are loosing subscribers our Northwest News has gained 300 more subscribers in the last few months! REALLY!

Our June 18th Monthly Meeting will address the topic of Sustainability.

Sustainability- The idea of living today in such a way as to take less from the future. How do we transition to a more sustainable, resilient community? We'll talk about what each of us can do to slow the rate of consumption of our most precious natural resources. Plus we'll discuss our possible response as a Neighborhood and the ways that our response may be yet another way to further build our strong and growing sense of community.

Everett's Northwest Neighborhood covers a large and diverse area, stretching from 19th Street northward to West Marine View Drive, and from Broadway westward to Port Gardner Bay, including the marina and waterfront north of 19th Street. All residents in the neighborhood are encouraged to attend the monthly meetings. Invite your new neighbors or friends down the street!

Northwest Neighborhood NEWS

EVERETT, WASHINGTON

Printed on May 11, 2009

Northwest Neighborhood NEWS is published monthly in conjunction with the City of Everett and the Northwest Everett Neighborhood Association.

NW Neighborhood Association Donations

A special thanks to Vince Decker for his terrific \$500 contribution! We'd very much appreciate if you could volunteer to help with one or more of our projects and if not could you please consider a donation of \$52. (\$1.00 a week) to help us make our neighborhood an even better place to live?

Our 30+ NW Neighborhood Projects

You'll recall that back in early January we proposed a ridiculous goal of completing over 30 projects this year. Projects that folks had been discussing for years. Good ideas. Things many of us

cared about but for one reason or another they just didn't get very far off the ground.

Well look how time flies! The year is almost half over!! What is the status of our 30+ projects? What have we learned? What do we need to do to meet our year end objectives?

	Projects	Status
1	Bike & Jogging Path	In Progress
